

Board Charter

Good governance matters and the Board aspires to incorporate good governance policies and practices at all levels within CSC. In so doing, the Board aspires to be a leader in Board governance policy and practice. This is consistent with CSC's expectations of the entities in which it invests.

The **Board Charter** sets out how the Board addresses legislative requirements specific to CSC and also incorporates good governance policies and practices:

- in its objectives, roles and responsibilities, including those of the Chair and individual directors
- when delegating authority to committees and management
- when implementing Board processes, including Board meetings, and procedures for decisions of the Board and voting rights, and
- in addressing Board composition, which includes:
 - Board composition
 - the nomination, appointment and removal of directors
 - terms of directorships and maximum tenure
 - processes relating to vacancy of office, and
- in addressing Board performance evaluation and remuneration.

Board objectives, roles and responsibilities

Board objectives

Vision: CSC's vision is to build, support and protect better retirement outcomes for all our customers and their families.

Mission: We're here to be the trusted and valued partner who achieves long-term investment objectives, guides informed retirement decisions, and gives our customers peace of mind that their families and futures are in safe hands.

Establishment: Under section 10 of CSC's establishing legislation, the *Governance of Australian Government Superannuation Schemes Act 2011* (GAGSS Act), the function of the Board is to ensure that CSC performs its functions in a proper, efficient and effective manner. The Board has the power to do all things necessary or convenient to be done for or in connection with the performance of its function.¹ All acts and things done in the name of, or on behalf of, CSC by the Board are taken to have been done by CSC.² More information is outlined in the Governance Framework³ and within this document.

¹ GAGSS Act s8.

² Ibid s10.

³ The Governance Framework and this document address the requirements of APRA Prudential Standard SPS 510. This document is specifically required by SPS 510.18.

Role and responsibilities of the Board

Legal requirements for directors:

CSC holds a Registrable Superannuation Entity (RSE) licence and an Australian Financial Services (AFS) licence. As an RSE and AFS licensee, CSC is required to uphold the conditions of both licences and comply with all other applicable laws and requirements. These include (but are not limited to):

- the SIS Act⁴ and associated regulations
- APRA Prudential Standards
- the Corporations Act and associated regulations
- the PGPA Act⁵
- the GAGSS Act
- scheme legislation, Trust Deeds and governing rules
- the *Anti-Money Laundering and Counter-Terrorism Financing Act 2006* and Rules
- taxation legislation
- privacy and data protection laws,
- workplace health and safety laws, and
- employment/industrial relations laws.

The SIS Act⁶ outlines covenants (that by virtue of the SIS Act legally form part of CSC's governing rules) which, among other obligations, require the directors to:

- perform their duties and exercise their powers in the best interests of beneficiaries
- act honestly in all matters concerning CSC
- exercise, in relation to all matters affecting CSC, the same degree of care, skill and diligence that a prudent superannuation entity director would exercise as director of the trustee, making investments on behalf of beneficiaries
- where there is a conflict between their duties to beneficiaries, and their duties to any other person or their own interests, the interests of CSC or the interests of an associate of the director or CSC:
 - give priority to the duties to, and interests of, the beneficiaries over the duties to and interests of other persons, and
 - ensure that the duties to the beneficiaries are met despite the conflict, and
 - ensure that the interests of the beneficiaries are not adversely affected by the conflict, and
 - comply with the APRA Prudential Standards in relation to conflicts⁷.
- exercise a reasonable degree of care and diligence in ensuring that CSC meets these covenants.

⁴ *Superannuation Industry (Supervision) Act 1993*

⁵ *Public Governance, Performance and Accountability Act 2013*

⁶ Under s52.

⁷ These obligations override any conflicting obligations of a director under Part 2D.1 of the Corporations Act 2001 and under subdivision A of Division 3 of Part 2-2 of the PGPA Act.

Board responsibilities

The Board is responsible for a range of matters, including:

- exercising independent judgement in setting, reviewing and overseeing, CSC's strategic direction, including its vision, mission, strategic objectives and core investment beliefs

- determining appropriate remuneration arrangements for all relevant CSC employees
- reviewing and approving Fund and CSC financial statements and budgets, and
- liaising with the relevant minister ('the Minister for Finance') and nominators to discuss Board composition, including nominating and appointing directors.

The role of the Board in setting culture and values

CSC's Board has a strong ethical outlook and is committed to promoting a culture which fosters accountability, commitment to long-term returns, business integrity, innovation, transparency and relevant and effective disclosure and communication. The following set of values and behaviours are expected of CSC directors and employees (referred to as 'we').

Focus on Customers

Customers' interests are our business: We put the interests of our customers at the centre of CSC's business, whether that's in the way we handle an enquiry, resolve a case, the quality of the information we provide to allow decisions to be made, or our investment performance.

Think boldly

We improve business outcomes by encouraging creativity and innovation: By thinking creatively, by asking questions and looking for outcomes outside of what we've done before, we create improved outcomes for customers.

Be fair

We treat others how we wish to be treated: We treat each other as we wish to be treated; we listen; we support each other; we participate constructively and treat each other with integrity and respect.

Listen openly and talk straight

We communicate respectfully and honestly: We understand that by communicating clearly with each other we can get to the heart of issues more quickly, we can improve the quality of our relationships and outcomes. We are open and honest.

Work together

We work in a supportive and collaborative way: Collaboration will result in better outcomes; we accept that a diversity of input and thinking will generate richer discussions and improved results for our customers.

Role of the Chair

The role of the Chair is to provide leadership for the Board and to ensure efficient organisation and conduct of the Board's deliberations and other functions.

Key responsibilities: The Chair is responsible for maintaining and developing relationships with key stakeholders, setting the agenda for the Board and ensuring active participation by directors. The Chair also promotes constructive and respectful relations between directors and management.

GAGSS Act responsibilities: The Chair:

- may convene a meeting of directors at any time, and must convene a meeting within 30 days after receiving a written request from another director
- presides at all meetings of the Board at which he or she is present. If not present, the Chair may nominate a director to preside at the meeting. If the Chair does not nominate a director, the directors present must elect one of themselves to preside, and
- may grant leave of absence to another director on terms and conditions that the Chair determines.⁸

General responsibilities: In addition, the Chair is generally responsible for:

- ensuring Board agendas address all relevant matters
- ensuring Board minutes properly reflect Board decisions
- ensuring a sufficient number of Board meetings occur to facilitate effective decision-making
- ensuring sufficient time is allowed at each meeting to deal adequately with each agenda item and to make a fully informed Board decision
- ensuring the Board is provided with adequate information
- developing and maintaining an ongoing constructive working relationship with the CEO
- guiding the ongoing effectiveness and development of the Board and individual directors, and
- leading the Board in monitoring the management of the RSEs, assessing CSC's continuing financial position and performance, and establishing a culture of open discussion and in

⁸ GAGSS Act ss15, 19 and 20.

particular which allows directors to openly discuss risks and any material adverse developments.⁹

Encourage participation: During the course of a meeting and at any other time, the Chair is responsible for encouraging the participation of all directors in Board discussion. The Chair and other directors may ask questions of, or request information from, management or relevant external parties in order to ensure they are fully informed in their deliberative processes. The Chair will facilitate such requests.

Facilitation of closed meetings: If required the Chair will facilitate meetings of directors without the CEO or staff being present.

Facilitate collegial decision making: To the extent that it is possible, where a director or directors dissent, it is the Chair's responsibility to facilitate an appropriate resolution of the differing views so that Board decisions are collegiate in nature.

Acting Chair arrangements: If the Chair is not present at a meeting, a director nominated by the Chair presides. If a director is not nominated by the chair, the directors present must elect one of the members present to preside.¹⁰

Separation of the role of the Chair: To avoid creating an unacceptable concentration of power and to improve accountability, the Chair is not and must not be a member of the executive management team or the CEO.

Role of individual directors

Director participation: Directors are expected to participate fully in Board and committee discussions. They are entitled to ask questions of, or request further information from management or relevant external third parties. Such requests should be made through the Chair.

Commitment of sufficient time, effort, resources, knowledge and skill: Each director is required to be prepared to commit sufficient time, effort, resources, knowledge and skill to their duties and role as a director. It has been the practice that the Board holds at least 8 meetings a year¹¹, and all directors are expected to participate in various Board committees.

Board Charter: It is expected that directors will comply with and adhere to this Board Charter.

Cordial expression of views: Directors are encouraged to cordially express their views even where they may dissent from the views of others. The Board recognises the value of a diversity of views. The Chair will facilitate a collegiate process of discussion amongst directors and an appropriate decision making process.

¹⁰ GAGSSA Act s20(2).

¹¹ Note that Section 17(4) of the GAGSS Act specifies that a director's appointment may be terminated if the director is absent, except on leave of absence, from 3 consecutive meetings of the Board.

Behaviour once a decision is reached: Once the Board has reached a decision, taking into account all views that are expressed by directors, it is expected that all directors will respect those decisions and refrain from external criticism.

Legal proceedings: A director may engage separate legal or other representation and participate in a claim or proceeding against that director as a result of or arising from being a director of CSC. If a director chooses to make such an engagement, he/she is expected to do so in accordance with the provisions of the directors' Deed of Indemnity, Insurance and Access.

Professional development: To maintain and develop their individual professional competency and also to maintain and enhance the collective competency of the Board, all directors are expected to identify and undertake appropriate professional development at the expense of CSC during their tenure on the Board.

Confidentiality: All directors are responsible for maintaining the confidentiality of Board and committee papers, and other internal working documents provided to them as directors, by either CSC or CSC's advisers. Directors should also maintain the confidentiality of Board discussions.

Conflicts of interest management: CSC has a Conflicts Management Policy and framework that is compliant with the APRA Prudential Standard SPS 521, *Conflicts of Interest*. The policy and framework set out the requirements on directors for managing conflicts of interest, or potential conflicts of interest. The conflicts management framework is one of avoidance, disclosure and managing and monitoring.

Conflicts of interest disclosure at each Board meeting: Directors are required to maintain the currency of the register of their duties and interests. Conflicts of interest are required to be explicitly noted at each Board meeting and recorded in the minutes. The Board agenda includes as a standing item a requirement on directors to declare duties and interests and any updates or changes, and conflicts, actual, potential or perceived, in relation to any particular agenda item, and update CSC's Register of Duties and Interests.

Relationship with and access to management

Constructive and respectful relations with management: The Board supports constructive and respectful relations between directors and management that aim to encourage frank and collegial discussions in order to achieve the Board's objectives through open governance and communication.

Open access to management: Directors have open access to management and to any records and other information, as requested through the Chair. In addition to regular presentations by management to the Board and committees, directors may seek briefings from management on specific matters.

Operational management: Directors do not become involved in operational management and should not participate in routine staff meetings or other staff activities unless specifically requested by the CEO, in consultation with the Chair.

Delegated authority

The Board may delegate its powers. The Board has determined to delegate certain of its powers in relation to corporate and investment matters, and scheme administration.

Executive management responsibility: Executives have responsibility for the day-to-day management of CSC's business operations. This includes the implementation and monitoring of systems, structures, policies, processes, information and oversight arrangements used in managing CSC.

Director responsibilities: All delegations made by the Board are in writing. The Board remains ultimately responsible for all delegated functions.

Staff responsibilities: Staff exercising delegations are accountable to the CEO who is responsible to the Board.

Matters that are sensitive or extraordinary: Even if within delegated powers, matters that are sensitive or extraordinary would typically be referred by the CEO to the Board. The exercise of some delegations is reported to the Board notwithstanding that they have been delegated.

Review of delegations: Delegations are regularly reviewed to ensure currency.

Examples of delegated authority: Examples of delegated authority include those relating to:

- spending authority up to specified monetary limits and in accordance with an employee's area of responsibility
- development of agreed product enhancements
- finalising a contract once appropriate due diligence has been carried out
- executing documents under common seal in accordance with Board resolutions, and
- maintaining certain bank accounts.

Investment delegations: Delegations to CSC staff relating to investments and investment operations include delegations relating to the management of each asset class in accordance with agreed investment policies, management of foreign currency hedge ratio risk within approved parameters, and management of tax.

The following matrix outlines responsibilities and approval processes that have been adopted by the Board in line with global best practice. Yellow highlights high level issues the Board is responsible for and blue highlights the areas executive management are responsible for.

- receiving and accounting for contributions from employer agencies
- maintaining records of contributors, preservers and pensioners
- management of legal claims and disputed matters, and
- calculating and paying benefits.

The Board has also delegated certain authority to employer agencies to facilitate day-to-day scheme administration, for example to enable the agencies to remit superannuation contributions on behalf of customers.

Board committees

The Board may establish committees to assist in carrying out its responsibilities and to provide appropriate oversight of key governance matters.

The Board remains ultimately responsible: Committees are important in providing the capacity for directors to work on more detailed matters in close consultation with executive management and advisers. However, Board committees do not absolve the Board or individual directors from responsibility. Directors are required to make independent decisions regarding delegated powers, and make appropriate enquiries as and when necessary.

Appointment and composition: Committee members are appointed by the Board and may comprise directors as well as non-directors.

Terms of reference: Each committee has its own documented terms of reference approved by the Board from time to time.

Standing Committees: The Board has established the following standing committees:

- **Audit Committee** - to assist the Board by providing an objective non-executive review of CSC's financial reporting. The Committee is made up of a minimum of three directors and all Committee members must be directors. The committee is chaired by a director appointed by the Board who is not the Chair of the Board.

- Risk Committee - to assist the Board in discharging its responsibilities by overseeing risk culture, risk frameworks and management of non-financial risk. The Committee is made up of a minimum of three directors and is chaired by a director appointed by the Board.
- Board Governance Committee - to assist the Board by advising and making recommendations on issues relevant to the governance of CSC and the identification, education and evaluation of directors. The Committee is made up of a minimum of three directors and is chaired by a director appointed by the Board.
- Remuneration and HR Committee - to assist the Board by advising and making recommendations on issues relevant to its Remuneration Policy and human resource obligations. The Committee is made up of a minimum of three directors and all Committee members must be directors.¹² The Committee is chaired by a director appointed by the Board.

Committees established under scheme legislation: In addition, the Board has established the following committees, pursuant to scheme legislation, to reconsider certain decisions under scheme legislation:

- APS (Australian Public Sector schemes) Reconsideration Committee¹³
- MSB (MilitarySuper) Reconsideration Committee,¹⁴ and
- Defence Force Case Assessment Panel.¹⁵

Ad hoc committees: The Board may also establish ad hoc committees from time to time.

Attendance by other directors: Any director may attend any committee meeting after giving notice to the Chair of the Committee and the General Counsel Team.

Factors considered when appointing committee members: In appointing committee members the Board aims to:

- optimise the composition of the committees in terms of collective experience, knowledge and skills, and may note any skill issues regarding the current membership
- ensure that organisational knowledge and continuity is preserved through staggered terms of office
- seek balance by encouraging diversity of, inter alia, gender, age, experience, skills and qualifications, and
- adhere to scheme legislative requirements.

Board processes

Board meetings

Board calendar: It has been the practice that the Board holds at least 8 meetings a year, but this will vary according to the circumstances. The dates of meetings for each year are developed in consultation with directors in advance and sufficient notice is provided to directors.

Attendance is expected: It is expected that all directors attend all Board meetings, although it is recognised that unavoidable calendar conflicts may occur from time to time. Directors are expected to participate in, and may be appointed to, various Board committees, which will involve meetings in addition to the regular Board meetings.

Circular resolutions: The Board may make decisions without a meeting—for example, by circular resolution.

Board meeting agenda: Agendas are developed prior to each meeting by the General Counsel Team in consultation with the Chair.

In-camera discussions: the Board and Board committees may hold in-camera discussions (without management present) from time to time. This will be a standing agenda item for all meetings. In-camera discussions, should they occur, will not be minuted, though the subject of the discussion will be recorded in the minutes.

Informal meetings: Where informal meetings (such as Board dinners or small group catch ups) occur, any key actions that arise from these meetings will be recorded and shared with the Board and/or a Board committee, as relevant.

Matters arising: A report on matters arising from the meeting is provided to the next available meeting and is circulated with the draft minutes to all Executives for follow up action prior to that meeting.

Minutes: The Board and Board committees must keep minutes of meetings.¹⁶ Minutes are recorded by a member of the General Counsel Team or another appointed minute taker. Minutes include information necessary to capture the nature of the discussions held¹⁷ and decisions taken.

The respective chairs aim to review minutes within a week of each Board or committee meeting, prior to circulation in draft to directors.

Signing and safekeeping of the minutes: Minutes of the Board and Board committees are signed by the Board or committee Chair at the next meeting, following review and acceptance as an accurate record by the Board or committee. The Manager, Board Services is responsible for safekeeping of minutes and papers.

¹⁶ GAGSS Act s25.

¹⁷ This includes capturing instances of challenge by the Board, either of management or of each other, prior to reaching a decision.

Board and committee papers

Circulation: Board and committee papers are circulated approximately 7 days prior to each meeting. Each meeting may involve several days of preparation in order to facilitate full participation in Board or committee discussions.

Board portal: Board and committee papers are published through a Board portal and directors are able to access the electronic papers on an electronic device that is provided and maintained by CSC. The Board portal also contains a range of resources for directors, including policy documents and other reference material.

Directors to delete annotated papers and notes: It is expected that directors delete copies of any annotated papers and notes soon after all meetings, and in all circumstances within one week after the following meeting.

Procedures for decisions of the Board and voting rights

Participative and cordial decision-making: As previously outlined, directors are expected to participate fully in Board and committee discussions. They are also encouraged to cordially express their views even where they may dissent from the views of others. However, once the Board has reached a decision, taking into account all views that are expressed by directors, it is expected that all directors will be loyal to those decisions and refrain from external criticism.

Board quorum: Subject to the requirements in relation to matters regarding only military schemes (see below), in accordance with s23 of the GAGSS Act, decisions must be decided by the agreement of 6 directors. This means that the minimum quorum to hold a meeting is 6 directors. Where only 6 directors attend a meeting, decisions must be made unanimously. Where a greater number of directors attend, there can be dissent but the decision must be made by the agreement of at least 6 of the directors present.

Matters regarding only the military schemes: When performing a function under military superannuation legislation, CSC must have regard to the unique nature of military service, as recognised by the schemes set out in that legislation.¹⁸ Where matters regarding only the military schemes are considered by the Board, one of the directors appointed following nomination by the Chief of the Defence Force must be present.¹⁹ It is up to the Chair to determine whether a matter concerns only the military schemes.²⁰

Out-of-session decisions: The Board has determined that it can make decisions out-of-session.²¹ An out-of-session decision can be made if the required quorum of directors indicate agreement with the proposed decision in the manner requested, and:

¹⁸ GAGSS Act ss3 and 8(3)(d).

¹⁹ GAGSS Act s21(3).

²⁰ GAGSS Act s21(4).

²¹ GAGSS Act s24(2); Minute no 1144 , agenda item 11, 11 February 2016.

- if the proposed decision concerns only the military schemes, all directors were informed of the proposed decision, or
- in any other case—all directors were informed of the proposed decision, or reasonable efforts were made to inform all directors of the proposed decision.²²

Voting rights: All directors have an equal voting right at Board meetings. Voting processes are conducted in accordance with quorum provisions, provisions regarding matters that relate to military service, and out-of-session processes, as outlined in the GAGSS Act.

Board composition

CSC's Board composition, the nomination, appointment, removal of directors, terms of directorships and vacancy of office is governed by the GAGSS Act.

Board composition

The GAGSS Act provides that the Board consists of 9 directors in total – an independent chair and 8 other directors.

Board nomination

The directors are nominated in the following manner under the GAGSS Act:

- two directors are nominated in writing by the President of the Australian Council of Trade Unions (ACTU)
- two directors are nominated in writing by the Chief of the Defence Force, and
- the Minister for Finance chooses the remaining directors.

Consultation by nominating bodies: Before nominating a person, the President of the ACTU and the Chief of the Defence Force must consult with one or more relevant organisations.

Period for which the nominee is to be appointed: A nomination must specify the period for which the nominee is to be appointed. The period may not be more than three years.

Independent Chair under SIS Act: The SIS Act ²³ sets out the criteria by which the independence of a director is ascertained. An independent director is:

- not a member of the fund
- neither an employee nor an employer-sponsor of the fund nor an employee or an associate of an employer-sponsor
- not, in any capacity, a representative of a trade union, or other organisation, representing the interests of one or more members of the fund, and
- not, in any capacity, a representative of an organisation representing the interests of one or more employer-sponsors of the fund.

The Chair is appointed by the Minister in consultation with, and the agreement of, other directors, and is independent.

²² GAGSS Act s24.

²³ s 10(1).

Representative Board

The Board composition and nomination process allows for a mix of nominations by customer, employer and military representatives that brings to CSC a diversity of views, skills and experience. All directors have an important role to play, bringing their unique understanding of social, political, environmental, military, military service and industry-specific issues into the decision-making process. Directors are not, however, representatives of their nominating bodies.

Appointment of directors

Appointments are made by the Minister for Finance: All directors are appointed on a part-time basis by the Minister for Finance by written instrument.²⁴

Appointments must be made where nominated by the President of the ACTU or the Chief of the Defence Force: Where a director has been nominated by the President of the ACTU or the Chief of the Defence Force, the Minister for Finance must appoint that person for the period specified in the nomination. The period may not be more than three years.

Consultation with the Minister for Defence: The Minister for Finance must consult the Minister for Defence before making an appointment of any director.

Board agreement to appoint a Chair: The Minister for Finance must obtain the Board's agreement to a person whom the Minister for Finance proposes to appoint as the Chair.

A director must be fit and proper: A person is not eligible for appointment as director if the person's appointment would result in a contravention of a fitness and propriety standard under the SIS Act.²⁵ Fitness and propriety standards are outlined in CSC's Fit and Proper Policy.

Instruments of appointment: On appointment, a director will be provided with a letter of appointment from the Minister for Finance, including a copy of the instrument of appointment. A similar letter is also provided to CSC, including all appointment documentation.

Board communication with nominating bodies: The Board seeks to assist in the nomination and appointment process by communicating with the President of the ACTU, the Chief of the Defence Force and the Minister for Finance in accordance with the process set out in the Board Renewal Policy.

Removal of directors

Director resignation: A director may resign by giving the Minister for Finance a written letter of resignation. Directors are encouraged to communicate their intentions to resign from the Board as early as possible, to assist in Board renewal.

²⁴ GAGSS Act s12(1).

²⁵ GAGSS Act ss12(2) and 11(3).

Resignation date of effect: The resignation takes effect on the day it is received by the Minister for Finance or, if a later day is specified in the resignation, on that later day.

Directors nominated by the President of the ACTU or the Chief of the Defence Force: If a director nominated by the President of the ACTU or the Chief of the Defence Force resigns, the director must also give a copy of the resignation to the President or Chief, as appropriate.²⁶

Grounds for termination relating to fitness and propriety: The Minister for Finance may terminate the appointment of a director if the director's continuation in office would contravene a SIS fitness and propriety standard. The Minister for Finance must consult the Minister for Defence before terminating the appointment of a director on this ground.

Grounds for termination relating to disqualification: The appointment of a director terminates if he or she becomes a disqualified person pursuant to the SIS Act.

Grounds for termination relating to financial circumstances: In consultation with the Minister for Defence, the Minister for Finance may terminate the appointment of a director, notwithstanding that the director is not a disqualified person, where the director:

- applies to take the benefit of any law for the relief of bankrupt or insolvent debtors
- compounds with his or her creditors, or
- makes an assignment of his or her remuneration for the benefit of his or her creditors.

Other grounds for termination: Where the director has been nominated by either the President of the ACTU or the Chief of the Defence Force, the Minister for Finance must obtain the consent of the President of the ACTU or the Chief of the Defence Force (as applicable), and consult with the Minister for Defence, prior to termination on the following grounds:

- misbehaviour or physical or mental incapacity
- if the director is absent, except on leave of absence, from three consecutive meetings of the Board
- if the director fails, without reasonable excuse, to comply with section 22 of the GAGSS Act which relates to the disclosure and management of conflicts of interest
- if the Minister for Finance is of the opinion that the directors have failed to comply with paragraph 19(1)(a) or (b) of the PGPA Act which relate to keeping the Minister for Finance informed of activities of CSC and providing reports, documents and information as the Minister for Finance requires²⁷, or
- if the Minister for Finance is of the opinion that a director has contravened section 30 of the PGPA Act which deals with termination for contravening general duties of officials. These general duties are similar to the SIS requirements.

If the President of the ACTU or the Chief of the Defence Force consents to the termination of a director under these grounds, the Minister for Finance must terminate the director's appointment.

²⁶ GAGSS Act s16(3).

²⁷ GAGSS Act s17(5) provides that in this circumstance the Minister may terminate the appointment of all directors or particular directors.

Tenure

Terms of directorship: A director holds office for the term specified in the instrument of appointment, as determined by the Minister for Finance, and which must not exceed three years.

Maximum tenure: A director may be re-appointed, but must not hold office continuously for more than nine years.²⁸

Board renewal

The Board values a degree of continuity while also seeking to refresh its membership. The Board Renewal Policy sets out the Board's policy on Board renewal.

Vacancy of office

Director appointments during a vacancy of office: The Minister for Finance, in consultation with the Minister for Defence, may appoint a person to act as a director during a vacancy in office (whether or not an appointment has previously been made to the office) or during periods when a director, for any reason, is unable to perform the duties of the office including being absent from duty.²⁹

Nominations made by the President of the ACTU or the Chief of the Defence Force: If a nomination is made by the President of the ACTU or the Chief of the Defence Force for a person to act in place of a director who was nominated by the President or the Chief (as applicable), the Minister for Finance must appoint the nominated person to act for the period specified in the nomination.³⁰

Fit and proper standards: Fit and proper standards must be met by all acting appointments.³¹

Acting Chair: The Minister for Finance must consult the Board about a person whom the Minister for Finance proposes to appoint as acting Chair of the Board.³²

Part 9 of the SIS Act vacancy requirements: Compliance with the vacancy requirements outlined under Part 9 of the SIS Act, which deals with the equal representation rules, is not required as CSC is governed by the GAGSS Act and exempt from the basic equal representation rules.³³ Further, appointments to CSC's Board are made by the Minister.

²⁸ GAGSS Act s13.

²⁹ GAGSS Act ss18(1) and (3).

³⁰ GAGSS Act ss18(5) and (6).

³¹ GAGSS Act s18(2).

³³ APRA has exempted CSC under *Superannuation Industry (Supervision) exemption No. A16 of 2011* from compliance with subsection 93(4) of the SIS Act which relates to compliance with the basic equal representation rules if a fund is not a public offer superannuation fund.

Board performance evaluation

Board performance evaluation is conducted annually examining the Board as a whole, the Chair, individual directors and Board committees. More information is outlined in the Board Performance Evaluation Policy.

Remuneration of directors

Remuneration of directors (including for the Chair and members of committees) is determined by the Remuneration Tribunal.³⁴ Details of director and senior executive remuneration are disclosed in CSC's annual financial statements and on the CSC website in accordance with regulatory disclosure requirements.

Indemnities

Indemnity of directors: Directors and their delegates are entitled to be indemnified for anything done, or omitted to be done, in good faith in the performance of their functions under the GAGSS Act and scheme legislation and will not be personally subject to any action, liability, claim or demand in relation to those matters.³⁵

Trustee insurance: CSC maintains trustee liability and comprehensive crime insurance which covers all directors. Each director has a deed of indemnity, insurance and access with CSC which provides them with certain access to Board papers and requires CSC to maintain insurance for, and to indemnify the director against liability incurred as a director.

Review of Charter

The Board Charter will be reviewed by the Board Governance Committee biennially or as required, in particular in light of relevant regulatory initiatives or any significant changes to CSC's constituent legislation, to assess its continuing currency. The Committee will recommend to the Board for its approval any necessary or desirable amendments to ensure the Charter remains consistent with best practice and applicable law.
