Associate A & Associate B benefits

Your benefit may consist of one or both of the following:

Associate A benefit – is a taxed benefit that is held for a person as units in one or more Investment Divisions in MilitarySuper.

Associate B benefit – is an untaxed benefit that is indexed annually at the long term bond rate.

Rollover fund nominations

If you are choosing to rollover part of your benefit, it must be paid to a complying superannuation fund, rollover fund, Retirement Savings Account (RSA). We will not deduct tax from any amount rolled over to another fund however, the receiving fund will deduct 15% tax from any untaxed component of the rollover.

You can nominate two rollover funds or RSAs to receive all or part of your lump sum benefit. Complete one nomination if you are going to roll over your entire benefit to one fund. If you are going to split the amount, complete both nominations with details of the second fund.

We will make all rollover payments directly to your nominated rollover fund(s). Please make sure you have the correct postal address of your fund(s).

When completing this section you must include the name and Australian Business Number (ABN) for the nominated rollover fund or RSA. If you have a membership number (known as your member client identifier) and Unique Superannuation Identifier (USI) for the rollover fund or RSA, please include these numbers. If you do not have them, you can get these details from the rollover fund or RSA. If you don't include these details, it will result in payment delays of your benefit. Please ensure your nominated rollover account(s) is active and can receive deposits from other superannuation funds. Failure to do so will result in the payment being returned to our office.

Payment

Lump sums and rollovers are normally paid within 15 working days after the date we receive all necessary documentation to enable us to process your application.

An electronic copy of your identification documents will be stored in a secure environment and hard copies will be securely stored off-site. All copies will only be used for the purpose of confirming your identity. You need to send in identification with every application.

Tax File Number

These purposes may change in the future as a result of legislative change. We may disclose your TFN to another superannuation provider when your benefits are being transferred, unless you request in writing that your TFN not be disclosed to any other superannuation provider.

It is not an offence not to quote your TFN. However, giving us your TFN will have the following advantages (which may not otherwise apply):

- We will be able to accept all types of contributions (subject to scheme rules).
- The tax on contributions to your superannuation account/s will not increase.
- Other than the tax that may ordinarily apply, no additional tax will be deducted when you start drawing down your superannuation benefits and

- If you have already provided your TFN to MilitarySuper, you are under no obligation to provide it again in this application.

Please check this box if you do not want MilitarySuper to give your TFN to the Rollover Fund(s)/RSA(s) nominated above.

We are required to validate your Tax File Number (TFN) with the ATO's records to confirm the TFN provided is yours and is correct. Your TFN can be validated using the SuperTICK validation service at any time during your MilitarySuper membership and must be validated before your benefit can be rolled over to another fund.
