Statement of compliance

Complying fund statement

This notice certifies that the Public Sector Superannuation accumulation plan (PSSap) is:

- a complying superannuation fund which can accept contributions (such as employer, salary sacrifice and personal after-tax contributions) and rollovers for eligible persons, including eligible former Australian government employees who choose to make contributions to the PSSap;
- a resident regulated superannuation fund (RSE No. R1004601) within the meaning of the *Superannuation Industry (Supervision) Act 1993* (SIS Act); and
- not subject to a direction under section 63 of the SIS Act not to accept contributions made to PSSap by an employer-sponsor.

For members

For the purpose of rolling over funds from another fund to the PSSap, the PSSap ABN is 65 127 917 725 and the USI is 65127917725001. Rollovers can be made by completing the **Transfer your super to PSSap** form available on csc.gov.au or by contacting the fund you would like to transfer super from. Eligible members can gain secure access to their account to view and update details, select investment options and make contributions to the fund by setting up an account for online services at csc.gov.au

For employers

Employer contributions are made to the PSSap through an online clearing house service. Commonwealth Government employers who have the PSSap as their default superannuation scheme may use the CSC clearing house free of charge. To apply for access, please email the CSC Employer Team at employer.service@csc.gov.au

Any other clearing house service may also be used. Non-Government employers should use their existing clearing house solution to make Superannuation Guarantee payments to the PSSap.

To apply for access, please email the CSC Employer Team at employer.service@csc.gov.au
